List Price \$6,238.00

Mitutoyo's newly redesigned QM-Height Gauge gives you a high-performance and user-friendly measurement experience. With the ability to connect to our U-Wave Wireless Software, the QM-Height can have data collected and sent straight to your PC with a simple press of a button. This precision height gauge gives you the option to have a built-in pneumatic flotation system which enables smoother movement over a surface plate, a battery life of 1200 hours in continuous use and an easy-to-use LED control panel and Best-in-class accuracy $\pm(2.4+2.1L/600)\mu\text{m}$.

The QM Height Gauge measures height, height difference (step), inside/outside width, inside/outside diameters, circle pitch, free-form surface maximum/minimum heights and height difference by scanning measurement.
